

Noxious Weed Free Forage and Gravel Certification Program

2018 Inspection Fees

In order to receive a certification inspection and/or receive a certificate of weed-free status within the Nevada Noxious Weed Free Certification Program the following fees apply:

Driving Mileage	\$0.545/mile
Driving Time	\$40/hour
Inspection Time	\$40/hour
Annual Inspection Fee*	\$50/year

**A producer only must pay this fee once a year on the first cutting of forage products or on the spring inspection of a gravel pit certification.*

Twine Fees

All Nevada certified weed free baled forage products must be bales with one string of the designated certified weed free twine. The twine strengths and associated rates are the following:

9600/170	\$40.50/bundle
6500/240	\$40.00/roll
4000/350	\$36.50/roll

****All fees are subject to change on an annual basis depending on NDA program costs and program budget.***
